NEGOTIATIONS: THE POWER AND VALUE OF BEING WELL INFORMED PRESENTED BY DAN HILL FROM OPTeon

Starting a business and securing new premises is an exciting time. Running a business and negotiating new lease terms can be distracting from business at hand.

Property lease negotiations are a necessity best out of the way, right? Wrong!

That necessity you quickly negotiate can cost you significantly if you aren't properly informed.

Don't be trapped in an unfavourable lease agreement that may hurt your bottom line for many years.

Dan Hill, Regional Director from Opteon will educate small business owners on the power of being well informed and well positioned when navigating the lease negotiation process.
